**RESPONSE TO AND REQUEST FOR WITHDRAWAL OF ERRONEOUSLY
ISSUED "NOTIFICATION OF DEFECTIVE RESPONSE"**

Sir:

A Notification of Defective Response ("Notification") was mailed March 6, 2007 (copy attached) which purports that an English translation of the application must be furnished. Applicants submit, however, that the published application WO 2004/055091 A1 upon which this U.S. national phase application was based is already in the English language. The USPTO's own records obtained via Private PAIR confirms that the subject national phase application was filed in the English language. Self-evidently, therefore, ***no English-language translation is needed.***

Issuance of the Notification was in error and therefore must be withdrawn. Written confirmation that the same has been withdrawn as inapplicable to the present application is requested.

Respectfully submitted,

NIXON & VANDERHYE P.C.

By:

Bryan H. Davidson

Applicant's response filed 01/19/2006 is hereby acknowledged. The following requirements set forth in the NOTIFICATION of MISSING REQUIREMENTS mailed 02/02/2006 have not been completed.

The following items **MUST** be furnished within the period set forth below in order to complete the requirements for acceptance under 35 U.S.C. 371:

- o Translation of the application into English. Note a processing fee will be required if submitted later than 30 months from the priority date.

Applicant is required to complete the response within a time limit of **ONE MONTH** from the date of this Notification or within the time remaining in the response set forth in the Notification of Missing Requirements, whichever is the longer. No extension of this time limit may be granted under 37 CFR 1.136, but the period for response set in the Notification of Missing Requirements may be extended under 37 CFR 1.136(a).

Applicant is reminded that any communications to the United States Patent and Trademark Office must be mailed to the address given in the heading and include the U.S. application no. shown above (37 CFR 1.5)
